HARBINGER OF GREEN REVOLUTION

GBPUA&T is the first university to blend Technology with Agriculture. GBPUA&T University has been recognized as the 'Harbinger of Green Revolution' by Nobel Laureate Dr. Norman E. Borlaug. GBPUA&T has been adjudged 'The Best ICAR Institution' in the country. The only university to be bestowed with 'The Sardar Patel Outstanding Agricultural Institution Award' twice.

CABM, THE PIONEER

College of Agribusiness Management was started in 1996 and has completed 24 glorious years of growth and accomplishments.

CABM is the pioneer of Agribusiness education in India.

We feel honoured and enthusiastically share with you the legacy of CABM, the milestones we have achieved and goals that we aspire for.

BLESSINGS FROM VICE-CHANCELLOR

Govind Ballabh Pant University of Agriculture & Technology , Pantnagar has been the torchbearer of agriculture research and education in our country. Quality education being the substratum for the excellence of students, the quest for knowledge never ends here. Established as a highly technical and residential University, G.B.P.U.A.&T., Pantnagar fraternity is committed and making sincere efforts to produce highly competent human resource with right aptitude, attitude, rectitude and intellectual values. The University aspires to transform its students into informed and competent professionals as well as sensible and compassionate citizens.

The College of Agribusiness Management, the first Agribusiness College of the country under State Agriculture University system, offers two post graduate programmes - MBA (Agribusiness) and MBA, along with one Ph.D. program in management to groom future managers and researchers. The special emphasis on developing interpersonal & leadership skills with the ardent support for placement of students in CABM is commendable. The exorbitant interests shown by recruiters in the past years is a testament to the capabilities of our students sculptured here, since inception of the college.

I am privileged to welcome all the recruiters and their team to our campus. I am sure that our students shall meet all your requisite expectations.

A handwritten signature in black ink, appearing to read 'Tej Partap', is positioned above the name and title.

(Tej Partap)
Vice Chancellor

FROM THE DESK OF DEAN

Since its inception in 1996, College of Agribusiness Management is superintending incessantly and therefore, it has consistently produced excellent results in transforming young minds to dexterous professionals. With a glorious past of 24 years, from academic excellence to leadership qualities, a nurturing environment to excellent infrastructure, CABM is offering an opportune domain for Student's triumph.

Our goal is to transform our students into solution providers, team leaders & critical thinkers who make a real contribution to their Organizations & Society holistically. Their tribulations here in gaining insights & getting acclimatized to ever-changing business environment will carve them to face strenuous challenges at Industry level and this upgraded human capital in synchronization with the Industry's demand becomes an asset to the Nation. Field-based learning & experience sharing by practitioners on a regular basis are integral parts of our extra-curricular activities. The generosity & commitment of our alumni, faculty and staff have enabled us to build a great Institution and to form a shared vision of all the great possibilities we have before us.

We are confident that educational experiences gained by our students while pursuing their MBA at CABM will make them demanding for Business Organizations to sprout for Nation's progress. I welcome you all to have an interaction with our students and build a fruitful long-term rapport that is mutually beneficial.

(R.S. Jadoun)
Dean, CABM

THE ACADEME

Abode of Light, Liberty and Learning

(The University)

G.B. Pant university is the first in India to let technology with agriculture. This is a symbol of successful partnership between India and the United states.

The establishment of the university brought about a revolution in the agricultural education research and extension, it paved the way for setting up of 31 other agricultural universities in the country.

The university has a total of 763 teachers and officers 59 technical staff, 631 administrative and ministerial personnel and 1425 class III employees amounting a total 2878. The number of students in the university ranges between 4200-4400. Thus, the teacher taught ratio is about 1:6.

- World class Central Computing Facility funded by The World Bank.
- Equipped with around 225 terminals including graphic workstations and high end desktops.

STADIUM

- National level sports complex with following infrastructure:
 - ❖ Athletic stadium
 - ❖ Football ground
 - ❖ Squash Court
 - ❖ Badminton Court
 - ❖ Tennis Court
 - ❖ Basketball Court
 - ❖ Gymnasium, etc.

A photograph of a campus landscape. In the foreground, there is a green lawn with a central garden bed featuring yellow flowers arranged in a geometric pattern. A low red wall with a metal railing runs across the middle ground. Behind the wall, there are several tall palm trees and other lush greenery. In the background, a multi-story building with a red and orange facade is visible. A white van is parked near the building.

HALL OF KNOWLEDGE

COLLEGE OF AGRIBUSINESS MANAGEMENT

College of Agribusiness Management was added as a new constituent college of GBPUAT in 1996 to provide qualified, well-trained, motivated and committed managers. Having groomed managers and leaders of the corporate sphere for over more than two decades, CABM boasts of a legacy of senior managers across industry segments.

Our Mission & Vision

To provide qualified, well-trained, motivated and committed managers; upgrade managerial skills of practicing managers; and solve managerial problems through contract research and consultancy to help achieve managerial excellence in agribusiness and other sectors in the country.

CABM aims to become the harbinger of managerial excellence in Indian agribusiness and other sectors as well as to become the best sectoral business management institution in the country”.

ALUMNI LECTURE SERIES

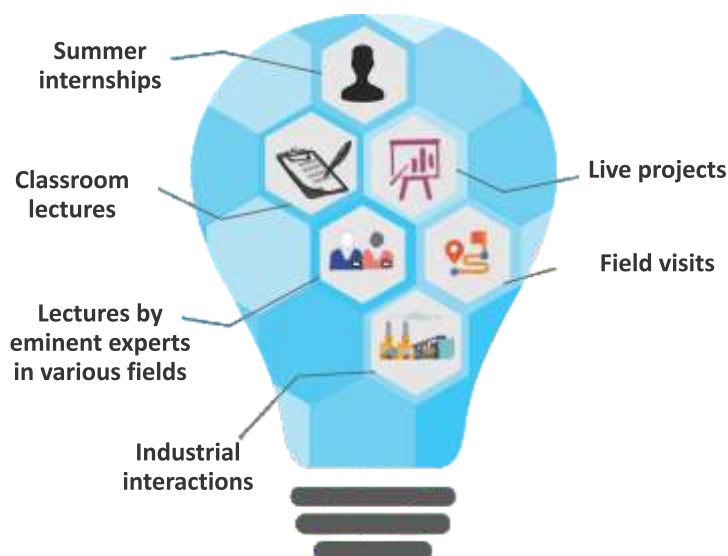

An Institution's alumni are the reflection of its past, representation of its present and a nexus to its future. They are the brand ambassadors of ingrown legacy of the educational Institution. An effective alumni relationship perpetuates with a spate of sharing experiences with the upcoming youthful batches.

Extending alumni relationship harmoniously is a treasure of CABM.

We look forward to outstretch more and more lectures in the series

LIFE AT CABM

18

CABM, PANTNAGAR

THE ALUMNI SOCIETY

Satisfying the quest for lifelong learning and extending mentorship to our generation who are progeny along trend path of innovation. The mission of the Alumni Committee is to nurture long lasting relationships with CABM alumni. It organizes annual alumni meet at the campus.

THE IT COMMITTEE

There is nothing which can better deserve our patronage than the endurance of ensuring technological up gradation and skill enhancement. Drishti is an accolade of the societies keeping them cognizant all the time.

THE LITERARY COMMITTEE

Medha is the most proper form for the introduction of words into any state where we are yet strangers. It is simply the language charged with meaning to the utmost possible degree. Away from people who try to betitle our ambitions, here talent is respected.

THE MANAGEMENT SOCIETY

The difference between ordinary and extra ordinary is that little extra that Spandan ensures. We take the attitude of our students, never too big to ask, never too much, to learn something new. Coming together is our beginning, Keeping together is our progress and Working together is our success.

TIVITIES

THE PLACEMENT COMMITTEE

What wings are to birds, what ambitions are to intelligence, same is Kshitiz to CABM arena. The officially constituted body which primarily involves the students responsible for facilitating the placement and recruitment program.

THE PUBLICATION COMMITTEE

Making expressions visible through working on design and content of the Placement brochure. The brochures sent to recruiters help them to identify the capability of students. The high pressure to achieve excellence in the restricted time is the prime pivot of this Society.

THE CULTURAL COMMITTEE

Realizing the creative instincts. It is a window into expressions, thoughts and perseverance of our strengths. We are a drop individual, but together we are an ocean of emotions and expressions.

THE SPORTS COMMITTEE

The difference between ordinary and extra ordinary is that little extra that Sphurti ensures. We take the attitude of our students, never too big to ask, never too much, to learn something new. Coming together is our beginning, Keeping together is our progress and Working together is our success.

WHY RECRUIT AT CABM ?

Identifiable

CABM, the part of G.B. Pant University of Agriculture and Technology is the pioneer of Agribusiness Management. Pantnagar itself has a conducive environment for the holistic development of a student. G B Pant University is the best place where the students get actual exposure of Agriculture culture which is the core part of Agribusiness.

We Invigorate

CABM curriculum organises regular churning sessions discussing the powers capsule of management which invigorates the new mind. The guidance of ignited souls and support of enlightening peer group is the strength of CABM.

We Illuminate

CABM provides the power and inspiration through experienced guidance so that students may manifest that capacity to pay a glorious future for the organisation where they work. Introspection session, personality workshop, curricular activities at the inter and intra university levels paved the way for them to illuminate the path.

Diversity

CABM absorbs student from various states and universities which provides the students with the opportunity to learn and grow with each other. CABM promotes student to study, think, discuss share and listen to the different prospective that provides the ample clarity generating the decision taking ability in the real sense. The quest is to transform knowledge into intellect and intellect into wisdom.

Hands on Experience

The close proximity to “SIDCUL”, provides student a golden opportunity for regular up gradation of their practical knowledge.

Target Driven

Today's world is highly competitive and therefore being target driven comes in handy. We at CABM are target oriented, ambitious and hungry for results.

CABM, PANTNAGAR

PLACEMENT PROCEDURE

We will be happy to host you in our institute for the placement process, scheduled in the month of **November 2020**.

We request you to evaluate the batch profile of our students and participate in the Campus Recruitment Programme.

It is expected that organisations would **DECLARE RESULTS IMMEDIATELY** after the selection process. This would help us to screen out the selected students from appearing in further interviews

We encourage companies to visit our campus and conduct the entire process in person. When this is not practical **VIDEO-CONFERENCING VIA SKYPE, ZOOM, GOOGLE MEET AND TELEPHONIC FACILITIES** are also available for your convenience.

The above given is the proposed format for Recruitment Process although, the Recruiters can design their own methods of recruitment within their allotted slots to ensure correct fitment between student and the organisation.

01

Submission of Batch Profile

- Shortlisting of Candidates

02

Curriculum Vitae

- Analysis
- Shortlisting of CV's

03

Schedule Placement slot

- Organization Profile
- Job Description
