HARBINGER OF GREEN REVOLUTION

GBPUA&T is the first university to blend Technology with Agriculture GBPUA&T University has been recognized as the 'Harbinger of Green Revolution by Nobel Laureate Dr. Norman E. Borlaug. GBPUA&T has been adjudged 'The Best ICAR Institution' in the country. The only university to be bestowed with 'The Sardar Patel Outstanding Agricultural Institution Award' twice.

CABM, The Pioneer

College of Agribusiness Management was started in 1996 and has completed 25 glorious years of growth and accomplishments. CABM is the pioneer of Agribusiness education in India.

We feel honoured and enthusiastically share with you the legacy of CABM, the milestones we have achieved and goals that we aspire for.

Blessings from Vice Chancellor

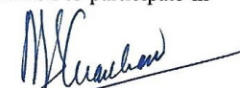

VICE CHANCELLOR'S MESSAGE

G.B. Pant University of Agriculture & Technology has been dedicated to creating human resources that excel in intellectual prowess, technical proficiency and value systems since its inception as a highly technical residential university in 1960. This university, dubbed as the "Harbinger of the Green Revolution," has always emphasized cultivating young minds to help them advance intellectually and professionally. We are proud of our traditions, carried on by our alums who now hold prestigious domestic and overseas positions in the business. This Uttarakhand-based university is the only Indian Agri-varsity that has made it to the QS World University Rankings 2022 with a global rank of 361, leaving our nation's name in the glory of quality education.

The College of Agribusiness Management (CABM), the nation's first agribusiness management college under the SAU system, aims at developing a highly specialized knowledge base and a competitive mindset in aspiring managers. The college has absorbed the university's sterling legacy and further enhanced its distinguished and illustrious past. CABM provides MBA (Agribusiness), MBA, and Ph.D. programs in management to prepare future managers. The overwhelmingly positive response from recruiters in past years is evidence of our students' proficiency, which has led to successful campus placement since the beginning of management programmes.

I am pleased to introduce the management graduates of the esteemed College of Agribusiness Management, G.B. Pant University of Agriculture & Technology, Pantnagar, to the business world as excellent team players, a quick study, responsible and creative executives, and future corporate leaders. I cordially welcome your prestigious organization to participate in the hiring process.

(M.S. Chauhan)
Vice-Chancellor

From the desk of Dean

DEAN'S MESSAGE

The College of Agribusiness Management (CABM) is India's first agribusiness management college under the SAU system. Our curriculum is designed to help students learn and broaden their horizons to meet the business world's demands best. Since its founding, CABM has left its mark by giving all its recruiters access to required managers. Our products have demonstrated their abilities in extracurricular activities and classroom learning. As a result, we continue with pride to produce dynamic professionals with exceptional agility.

Market-driven practices have been a hallmark of CABM. In 2006, CABM added the MBA program (exclusively for engineers) to satisfy the growing demand of the manufacturing and service sectors. The Ph.D. in management program addresses the need for knowledgeable academicians & researchers. Since 1998, CABM has been successful in producing effective agribusiness managers who are currently working at higher levels in a variety of corporate organizations. Correspondingly it created a solid alumni network that serves as a support system for our emerging managers. We host alumni lecture series and guest lecture series with the assistance of this robust network, giving our students exposure to the latest business trends. Recently, CABM partnered with IIM Kashipur to advance the learning process and support Uttarakhand's agri-startup culture.

CABMites are achievers who embody the quintessential rainmaker traits of ambition, creativity, enthusiasm, persistence, and integrity. These high achievers know that progress is achievable with effort, dedication, and creative thinking. These particular skill sets distinguish our students from other students.

With these words, I solemnly welcome you to the CABM placement process, and we greatly anticipate establishing and fostering a mutually beneficial collaboration with your organization.

(R.S. Jodoun)
Dean, CABM

THE ACADEME

Abode of Light, Liberty, and Learning

THE UNIVERSITY

G.B. Pant University is the first in India to blend technology with agriculture. This is a symbol of successful partnership between India and the United states.

The establishment of the university, brought about a revolution in the agricultural education, research and extension. It paved the way for setting up of 31 other agricultural universities in the country.

The university has a total of 763 teachers and officers, 59 technical staff, 631 administrative and ministerial personnel and 1425 class III employees amounting a total 2878. The number of students in the university ranges between 4200-4400 Thus, the teacher taught ratio is about 1:6.

HALL OF KNOWLEDGE

COURSE PROGRAMS

COLLEGE OF AGRIBUSINESS MANAGEMENT

College of Agribusiness Management was added as a new constituent college of GBPUA&T in 1996 to provide qualified, well-trained, motivated and committed managers. Having groomed managers and leaders of the corporate sphere for over more than two decades, CABM boasts of a legacy of senior managers across industry segments.

MBA (Agribusiness)

Flagship academic program, a hallmark for niche education.

- A strong brand in agribusiness education. With an objective to meet evolving human resource requirements of the agribusiness sector.

MBA

Started an MBA program with Engineering as a pre-requisite degree in 2006 with an objective to meet the evolving human resource requirements of the manufacturing, operation, service and supply chain.

Our Mission & Vision

To provide qualified, well-trained, motivated and committed managers; upgrade managerial skills of practicing managers; and solve managerial problems through contract research and consultancy to help achieve managerial excellence in agribusiness and other sectors in the country.

CABM aims to become the harbinger of managerial excellence in Indian agribusiness and other sectors as well as to become the best sectoral business management institution in the country".

INSTITUTIONAL CENTRES

BUSINESS MANAGEMENT CLINIC

To create a platform for interaction between the manager of business houses and technical/management experts.

To diagnose management and technical problems of agribusiness.

To evaluate projects pertaining to different aspects of technologies, raw material and products in agribusiness.

MANAGEMENT DEVELOPMENT PROGRAM

-To cater to the needs for in-service training of executives and officers working in various business organizations as well as government institutions, in addition to facilitating the same for academicians and farmers.

-Conducts need based training programs, seminars, workshops and conferences.

PLACEMENT AND COUNSELING CENTRE

To provide an interface between the college and the industry to strengthen the industry-academia bond.

To equip budding managers with required managerial skills through activities like summer training, industrial visits and professional counseling sessions.

INFORMATION TECHNOLOGY MANAGEMENT CENTRE

To provide updated facilities and exposure to superior technology of computer application in business management. To upgrade and maintain college IT security system.

LIFE AT CABM

ALUMNI SOCIETY

Satisfying the quest for lifelong learning and extending mentorship to our generation who are progeny along trend path of innovation. The mission of the Alumni Committee is to nurture long lasting relationships with CABM alumni. ACAMBA organizes annual alumni meet at the campus.

IT COMMITTEE

There is nothing which can better deserve our patronage than the endurance of ensuring technological up gradation and skill enhancement. Drishti is an accolade of the societies keeping them cognizant all the time.

LITERARY COMMITTEE

Medha is the most proper form for the introduction of words into any state where we are yet strangers. It is simply the language charged with meaning to the utmost possible degree. Away from people who try to bettle our ambitions, here talent is respected.

MANAGEMENT SOCIETY

The difference between ordinary and extra ordinary is that little extra that Spandan ensures. We take the attitude of our students, never too big to ask, never too much, to learn something new. Coming together is our beginning, keeping together is our progress and working together is our success.

OUR

CULTURAL COMMITTEE
 Realizing the creative instincts. It is a window into expressions, thoughts and perseverance of our strengths. We are a drop individual, but together we are an ocean of emotions and expressions.

PLACEMENT COMMITTEE
 What wings are to birds, what ambitions are to intelligence, same is Kshitiz to CABM arena. The officially constituted body which primarily involves the students responsible for facilitating the placement and recruitment program.

SPORTS COMMITTEE
 The difference between ordinary and extra ordinary is that little extra that Sphurti ensures. We take the attitude of our students, never too big to ask, never too much, to learn something new. Coming together is our beginning, keeping together is our progress and working together is our success.

PUBLICATION COMMITTEE
 Making expressions visible through working on design and content of the placement brochure. The brochures sent to recruiters help them to identify the capability of students. The high pressure to achieve excellence in the restricted time is the prime pivot of the CHAYAN committee.

P A T H R O N Z S

Why Recruit At CABM

Identifiable

CABM as a part of G.B. Pant University of Agriculture and Technology, is the pioneer of Agribusiness Management. Pantnagar itself has a conducive environment for the holistic development of students. G.B.Pant University is the best place where students get actual exposure of agricultural culture, which is the core part of Agribusiness.

We Invigorate

CABM curriculum organises regular churning sessions discussing the power capsules of management that invigorates the new mind. The guidance of ignited souls and support of enlightening peer group is strength of CABM

We Illuminate

CABM provides the power and inspiration through experienced guidance so that students may manifest that capacity to pay a glorious future for the organisation where they work. Introspection section, personality workshop, cocurricular activities at the inter and intra university levels paved the way for them to luminate the path.

Diversity

CABM absorbs students from various states and universities, which provide the students with the opportunity to learn and grow with each other. CABM promotes students to study, think, discuss, share and listen to the different prospectives that provide the ample clarity generating the decision taking ability in the real sense. The quest is to transform knowledge into intellect and intellect into wisdom.

Hands on Experience

The close proximity to SIDCUL" provides students with golden opportunity for regular upgradation of the practical knowledge.

Target Driven

Today's world is highly competitive and therefore being target driven comes in handy. We at CABM are target oriented, ambitious and hungry for results.

STUDENT PROFILE
