5. LIFE AT CABM

5.1 EVENTS AT CABM

5.2 COMMITTEES

LITERARY COMMITTEE

Medha is the most proper form for the introduction of words into any state where we are yet strangers. It is simply the language charged with meaning to the utmost possible degree. Away from people who try to betitle our ambitions, here talent is respected.

SPORTS COMMITTEE

The difference between ordinary and extra ordinary is that little extra that ***Sphurti*** ensures. We take the attitude of our students, never too big to ask, never to much, to learn something new. Coming together is our beginning, keeping together is our progress and working together is our success

MANAGEMENT SOCIETY

The difference between ordinary and extra ordinary is that little extra that ***Spandan*** ensures. We take the attitude of our students, never too big to ask, never too much, to learn something new. Coming together is our beginning. Keeping together is our progress and Working together is our success.

ALUMNI SOCIETY

Satisfying the quest for lifelong learning and extending mentorship to our generation who are progeny along trend path of innovation. The mission of the Alumni Committee is to nurture long lasting relationships with CABM alumni. It organizes annual alumni meet at the campus.

PUBLICATION COMMITTEE

Making expressions visible through working on design and content of the Placement Brochure. The brochures sent to recruiters help them to identify the capability of students. The high pressure to achieve excellence in the restricted time is the prime pivot of the ***Chayan*** committee.

PLACEMENT COMMITTEE

What wings are to birds, what ambitions are to intelligence, same is ***Kshitiz*** to CABM arena. The officially constituted body which primarily involves the students responsible for facilitating the placement and recruitment program.

IT COMMITTEE

There is nothing which can better deserve our patronage than the endurance of ensuring technological up gradation and skill enhancement. ***Drishti*** is an accolade of the societies keeping them cognizant all the time.

CULTURAL COMMITTEE

Realizing the creative instincts. It is a window into expressions, thoughts and perseverance of our strengths. We are a drop individual, but together we are an ocean of emotions and expressions.

8. INDUSTRIAL ATTACHMENT

For ensuring exposure to working of a business organization to future managers, industrial attachment during summer is an essential academic requirement for the first year students. Each student has to spend summer break working in and learning from a business organization. The summer attachment provides the student firsthand exposure to the functioning of the organization.

9. METHODS OF INSTRUCTION

The MBA Programs aims to provide not only the conceptual knowledge but also realistic situations for decision-making through emphasis on realistic learning and active participation in the academic process. The major instrument of learning, therefore, is the case method. Cases are descriptions of actual management problem situations derived from the experiences of business organizations. While discussing cases, students are placed in a position where, as managers, they must evaluate and act with responsibility. Other methods of instruction are seminars, group discussions, lectures, role-play etc. Audio-visual aids and computers are extensively used by faculty and students in most of the courses.

10. PERFORMANCE EVALUATION SYSTEM

The continuous performance evaluation system of the students, as an indicator of input utilization and conversion efficiency comprises class participation, case presentation, group discussion, seminars, assignments, quizzes, and midterm examination, practical and final examination. The marks distribution is as follows:

1.	PGCAP (Participation in class discussion, Group discussion, Case presentation, Assignment, Punctuality) & written exams (Mid-term exam and practical/Lab exam)	60
2.	Semester Final Examination	40

11. INDUCTION PROGRAM

There is a unique Induction Program for the new entrants. For the purpose, the students are called few days before the due date of registration in the University in the first semester of first year. During this period they are apprised of the responsibilities, activities, goals and achievements of the institution. Subsequently, they visit various academic units and interact with various faculty members posted there regarding educational excellence, research achievements, and scopes and business orientations therein. At the end of the Program, the students participate in discussion with the faculty to share their opinions and learnings regarding various aspects of different units.
